Boston, May 15, 1870.

In again submitting to our patrons another edition of our Illustrated Catalogue and Price List of Furniture manufactured entirely by us, of warranted thoroughly seasoned stock, we would call especial attention to the *increased variety* of our goods, as well as the *improved change* in many of the patterns.

Our assortment of Parlor Suits, which we are prepared to furnish in the *frames*, or any desired style of upholstering, with coverings of the *finest quality of Brocatelle wide Plush*, rich patterns of *Striped Terry*, the *best quality* of *all-wool plain Terrys*, *Hair Cloth* or *Muslin*, is unsurpassed.

Our Walnut Chamber Sets embrace *new* and *original* designs, some of which, for elegance and beauty, have not been equalled.

We offer besides, Library Cases and Secretaries, Sideboards, Etageres, Wardrobes, Dressing-Tables and Cases, Hat-Trees, Centre and Library Tables, of the most modern style and finish. Also, a variety of Office Desks, both standing and sitting.

With our large facilities for manufacturing and producing, we are prepared to sell our goods on the most favorable terms, at the lowest market prices.

Having our Upholstering Goods, whether foreign or domestic, direct from the best manufacturers, we can always guarantee satisfaction as to their quality; and being importers of *Samuel Layeock & Son's best English Hair Cloth*, we have it for sale or are prepared to furnish it on goods to those whose preference is for it,—though that now manufactured by the *Pawtucket Hair Cloth Co.* is acknowledged to be *fully equal*, in every respect, to any now produced, whether in England or Germany, and from our several years' experience in its use, we can *confidently recommend it*, being satisfied it will bear the fullest criticism.

We shall continue to introduce new patterns of Furniture of all the varieties we manufacture, and having greatly enlarged and improved our warerooms, can now exhibit one of the most complete and finest assortments of Furniture in this country.

F. M. HOLMES & CO.,

No. 186 Hanover Street.

NOTICE.

We are now manufacturing, as *specialties*,

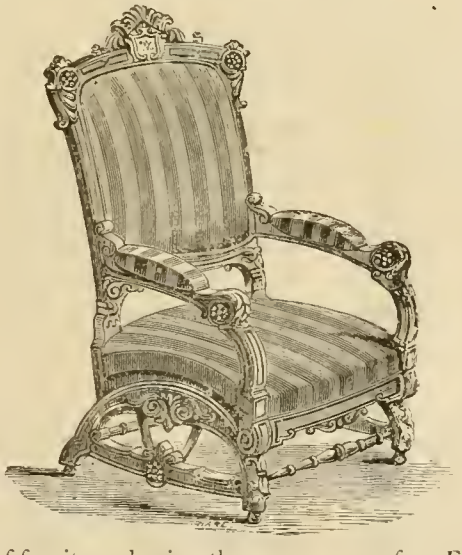
NEW PATENT FOLDING CHAIRS,

simple and improved in their arrangement, and yet combining all the qualities and advantages of any introduced. These we have in the usual variety of frames and upholstering, at the lowest market prices.

Also, A NEW PATENT RECLINING CHAIR;

Operates with a *ratchet*, which adjusts the chair *instantly* and with *perfect ease* to any position desired; and we can with entire confidence recommend it as the *best arranged* and *most convenient* chair of the kind that has ever been offered. It requires only to be seen to establish its superiority over all others. We have them of two sizes.

Also, THE PATENT ROYAL ROCKING CHAIR;



An entirely new and novel article of furniture, having the appearance of an Easy Chair, operating with a regular rocking or oscillating motion, and is, at the pleasure of the occupant, convertible into a stationary or Reclining Chair. It is the only successful attempt, overcoming the many objections to the rockers of the ordinary chair. We have them of various styles and prices, to meet the requirements of the trade.
